

Ricky Carruth

SPEAKER.REAL ESTATE AGENT.AUTHOR

Ricky Carruth started selling real estate since 2002 when he was 20-years old. He became a self-made millionaire by the age of 23 and flat broke and bankrupt by 25 as he was blindsided by the market meltdown in the late 2000's.

After the crash, he embarked on a deep journey of research and self-evaluation. He wanted to know why he had failed so that it would never happen again.

What he learned is that success in business and life is built with a long-term mindset focused around relationships, not transactions.

Some of Ricky's achievements include #1 RE/MAX agent in the state of Alabama 2014 and 2017. He has written two books for real estate agents. He is the host of his own real estate podcast, and star of the YouTube series "Daily Grind".

If you are planning your next event and want a speaker who speaks from real life experiences in the real estate world, then book Ricky today. You will not be disappointed.

Ricky's topics include...

- Mindset of The Listing Agent
- Communicate Who You Are
- How to Circle Prospect
